

How to fundraise to support Manchester's cancer research in the Purple Wave

Thank you so much for joining Manchester's cancer research fundraising team. It's great to have you on board!

We'll be waiving your Purple Wave registration fee so long you reach a modest minimum fundraising target of £60 for the 10k and £100 for the half marathon (there's no minimum fundraising target for the 2.5k or 5k). It's our way of saying a great big 'thank you' for choosing to support Manchester's cancer research.

Here is a step-by-step guide to registering as a fundraiser supporting Manchester's cancer research in the Purple Wave. If you have any questions, please contact Emma at supporters@manchester.ac.uk – she'll be so happy to hear from you.

- 1. Register to take part in the Purple Wave.** Whether you would like to take part in the 2.5k, 5k, 10k or half marathon you can register here:
<https://manchesterstudentsunion.com/events?activity=693>.
 - If you are a University of Manchester student, select the 'Student' option. If you are a member of university staff, a member of our alumni community or another valued friend of the University, select the 'Public' option.
 - Make sure you select the appropriate free(!) ticket type:
 - Students – 'Student – Manchester's cancer research fundraiser'
 - Staff – 'Staff – Manchester's cancer research fundraiser'
 - Alumni – 'Alumni - Manchester's cancer research fundraiser'
 - Other members of the University community – 'Community – Manchester's cancer research fundraiser'
 - You will not be asked for any payment details if you select the 'Fundraising' ticket type.
 - Once you've successfully completed the Purple Wave registration process, you'll receive a confirmation email from no-reply@sums.su.
- 2. Visit the '[Purple Wave 2023 supports Manchester's cancer research](#)' JustGiving page and create your fundraising page** by clicking the orange 'Start fundraising' button on the right-hand side of the page.
 - Use the same email address for both your Purple Wave registration and JustGiving fundraising page if possible.
 - If you're fundraising in memory of someone, please let us know by checking the 'I'm doing this in memory of someone' box.
 - If you'd like to continue hearing about how your fundraising is helping to support Manchester's cancer research after the Purple Wave event has happened, please tick the 'Yes, please opt me in' box at the bottom of the page to keep up to date.
 - You'll receive an email from contact@justgiving.com confirming that your fundraising page has been set up successfully.

- Shortly after creating your fundraising page, you'll receive an email from supporters@manchester.ac.uk to welcome you to the incredible team of fundraisers supporting Manchester's cancer research.

3. Start fundraising!

- Going forwards you can expect to hear from the UoM Sport team about the Purple Wave event coordination, training plans and nutrition. JustGiving will keep in touch with all the tips and tricks you need to make the most of your fundraising page – they're there to help you raise as much money as possible! And you'll hear personally from Emma Demiri in the University's fundraising team. She'll be your 'go to' person for everything relating to your fundraising. And she'll keep you updated with how you're supporting Manchester's cancer research.
